The Roman occupation introduced violent executions, such as crucifixions, which were used as a brutal warning to dissenters.

The Medieval Plagues and Famine

One of the most horrifying periods in London's history was during the Middle Ages, particularly the Black Death of the 14th century. The plague decimated the population, killing an estimated one-third of London's residents. Streets were filled with the sick and dying, and entire neighborhoods could be abandoned overnight. Tragically, the fire also claimed lives, though the exact number remains uncertain?estimates range from six to over twenty.

The Tower of London and Its Bloody History

The Tower of London is perhaps the most infamous symbol of royal tyranny and executions. Over its centuries of use, it has served as a royal palace, prison, and place of execution. The Tower also housed the Crown Jewels, but its dark history is often overshadowed by tales of torture and murder.

The Gunpowder Plot (1605)

A failed conspiracy to blow up the Houses of Parliament to assassinate King James I, the Gunpowder Plot remains one of London's most dramatic episodes.
